

Workforce excellence is **CENTRAL** to all we do.

Individuals with disabilities or in need of an accommodation should contact Leslie Wojtowicz at 763.647.5486 or lwojtowicz@cmjts.org.

If you or someone you know has a foreign credential and would like to obtain the U.S. equivalent, contact Leslie Wojtowicz at 763-647-5486 or lwojtowicz@cmjts.org.

### Our Goal:

At CMJTS, we understand that every individual's needs are different, and we do our best to accommodate them. We provide opportunities and encourage individuals to re-enter professions they have already been trained in. Or, help individuals gain relevant skills training to enter career pathways in the U.S. and find and retain employment in in-demand occupations.

### What is the Internationally Trained Professionals Grant?

The goal of the Internationally Trained Professionals grant is to assist individuals with foreign credentials related to healthcare or education that want to transition to a U.S. credential. Eligibility:

- Must be 18 or older
- Have a foreign credential
- Interest in healthcare or education

### How Can We Help?

- **Career Coaching:** Help determine employment goals, develop a résumé, apply for jobs, practice interviewing skills, secure interview attire, and address transportation.
- **Education and Evaluation:** Assistance to get foreign credential evaluated and education assistance to obtain the U.S. equivalent.
- **Job Search Assistance:** CMJTS has an established network of 100s of local employers interested in hiring CMJTS program participants.
- **Resource and Referral:** Provide resources for the whole family needed to maintain self-sufficiency, including referrals to at-risk youth programming, nutrition supports, financial literacy, income tax filing services, rental housing assistance, basic skills literacy, and re-entry assistance.
- **Mentoring:** Your CMJTS employment specialist will challenge you to be all you can be and provide you with an environment where you can share the issues confronting you personally and professionally.
