Legislative Language

Pursuant to Minnesota Statutes 2023, Section 15.0395, *Interagency Agreements and Intra-Agency Transfers*, the Department of Employment and Economic Development (DEED) is required to:

(a) By October 15, 2018, and annually thereafter, the head of each agency must provide reports to the chairs and ranking minority members of the legislative committees with jurisdiction over the department or agency's budget on:

(1) each interagency agreement or service-level agreement, including any renewal or extension of an existing interagency or service-level agreement with another agency if the cumulative value of those agreements between two agencies is more than \$100,000 in the previous fiscal year; and

(2) transfers of appropriations between accounts within or between agencies, if the cumulative value of the transfers is more than \$100,000 in the previous fiscal year.

The report must include the statutory citation authorizing the agreement, transfer or dollar amount, purpose, the effective date of the agreement, and the duration of the agreement. Interagency agreements and service-level agreements that authorize enterprise central services and transfers specifically required by statute or session law are not required to be reported under this section.

(b) As used in this section, "agency" includes the departments of the state listed in section 15.01, a multimember state agency in the executive branch described in section 15.012, paragraph (a), the Department of Information Technology Services, and the Office of Higher Education.

Summary of Contents:

This report contains information on:

Interagency agreements including income contracts, data sharing agreements, service-level agreements and any renewals or extensions of existing interagency or service-level agreements with another agency if the cumulative value of those agreements is more than \$100,000 in the previous fiscal year and transfers of appropriations between accounts within or between agencies, if the cumulative value of the transfers is more than \$100,000 in the previous fiscal year. The report also contains transfers of appropriations between accounts within or between agencies, if the cumulative value of the transfers is more than \$100,000 in the previous fiscal year.
