

SMALL BUSINESS. BIG IMPACT.

EMPLOYMENT AND
ECONOMIC DEVELOPMENT

MINNESOTA OFFICE OF SMALL BUSINESS DEVELOPMENT

Serving startups and small businesses
and the organizations that support them.

FOCUSED ON:

CAPITAL - through grants to businesses and support organizations, loans, tax credits and investors

CONNECTIVITY - bringing together Small Business Development Centers, Launch Minnesota, higher education, lenders, investors and more to serve businesses

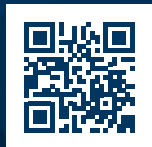

CAPACITY - providing the know-how to start and grow a business through consulting, technical assistance, guidebooks, education and more

DEED is joining together several of our offices under our new Office of Small Business Development to help small businesses find our DEED and partner resources in one, easy place.
