Legislative and Administrative Considerations

Objective of RFP

The Department of Employment and Economic Development, through its Adult Career Pathways Programs is accepting applications from qualified responders to fund capacity building through the **Targeted Populations Capacity Building Grants**.

Program is outlined under:

- [Minnesota Statute 116L.43, Subd. 4](#)

The Targeted Populations Capacity Building grants must result in the organizations increased capacity to provide quality workforce development services that are culturally and linguistically relevant to the community.

Legislative Considerations

As authorized in the [Minnesota Session Laws - 2023, Regular Session, Chapter 53, Article 20, Sec.2 Subd. 3 \(b3\)](#).

\$5,000,000 each year is for Capacity Building grants under Minnesota Statutes, section 116L.43, subdivision 4

Legislative Considerations

- Minnesota Statute section 116L.43
 - Defines the eligibility for organizations
 - Outlines the eligible activities
 - Provides requirements on other Targeted Populations grants
 - Workforce Programs
 - Diversity and Inclusion for Small Business
- Full text of legislation available at:
<https://www.revisor.mn.gov/statutes/cite/116L.43>

Maximum Award

- Applicants are limited to 1 application for a total of \$49,000

DEED Programming

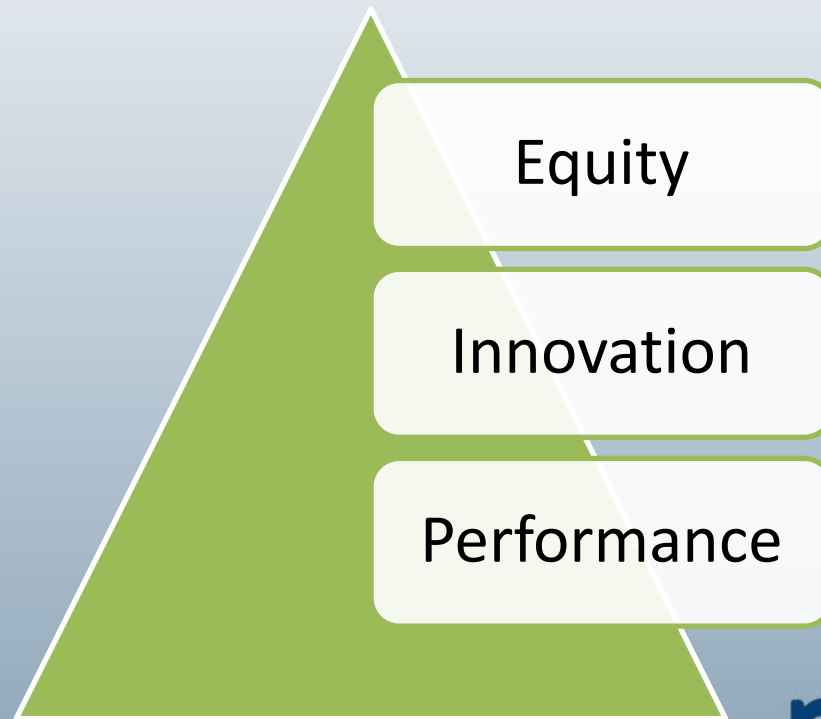

The Minnesota Department of Employment and Economic Development (DEED) is committed to empowering the growth of the Minnesota economy for everyone.

The Targeted Populations Capacity Building Grants RFP is administered under DEED's Employment and Training Division Office of Adult Career Pathways.

All the Office of Adult Career Pathways RFPs support programs and services designed to improve economic opportunities for people of color, women, people with disabilities, and/or veterans in Minnesota.

Proposal Themes

Within DEED's Employment & Training Division, Adult Career Pathways programs focus on these three themes:

Eligible Organizations

Eligible organizations must be community-based organizations. A community-based organization is defined as an organization that:

- Provides workforce development programming or services and;
- Is a nonprofit organization;
- Has an annual organizational budget of < \$1,000,000 and;
- Has primary office in a historically underserved community of color, or low-income community and;
- Serves a population that generally reflects the demographics of that local community.

All applicants must be currently operating, have an active non-profit designation, have an active business filing with the Minnesota Secretary of State in good standing, and have a physical business presence in the state of Minnesota at time of application.

Eligible uses of funds

- Workforce Program Delivery Staff-e.g.; navigator, supervisors, trainers
- Program Infrastructure-e.g.; Office equipment, supplies, accounting software
- Workforce Training Service Model Development-e.g; curriculum development, program development, outreach/marketing

All uses of funding must result in the increased capacity of the organization to provide quality workforce development services.
