

**Sample Certification 6. Certification Regarding Venture Capital Fund Services to Portfolio Companies**

*This sample certification may be used by a participating jurisdiction to obtain the applicable certification regarding venture capital fund services to portfolio companies. This sample certification is provided for illustrative purposes only and is not intended to replace or supersede any internal controls a participating jurisdiction has in place.*

Under the State Small Business Credit Initiative (SSBCI), if the participating jurisdiction uses up to an annual average of 1.71 percent of the federal contribution to pay for services to portfolio companies over the life of the jurisdiction’s venture capital program, then the venture capital fund must annually certify that such services were provided.
